March 2010

Notes from Lion Gordon ***Are We Doing Our Share?***

The February 20th meeting at Chubby's was quite an experience. (We will discuss Chubby's later.) The program was really thought provoking, and informative. Check the web page if you missed the program because the program was about bringing good drinking water to poor countries, and the impact it makes. It amazes me how when a group of people gets really focused how much of an impact they can make. The lady giving the program is not trying to save the world, or do something really big, but they are trying to make a difference on a small scale.

As Lion Ken was reading the January MMR, it occurred to me how much Lions give to causes with our time and money. His comments about our members spending 30 minutes here, 3.5 hours there, or 1 hour driving to do something that helps other people made quite an impression. The point is OUR time is important to a lot of folks and groups that would be worse off if we did not spend our time "serving others". I think we all need to evaluate if we as individuals are spending enough time to be better Lions. We also need to report the time we spend on Lion activities to Lion Ken so he can put it in his MMR. **The time**

adds up!!! Our club does a really good job helping others. We just need to keep improving on giving more time.

We need to keep inviting guests to our meetings so our time serving others will multiply.

Other things going on:

1. We continue our gavel travel promoting Lion Ken Gleason for 2nd Vice District Governor. Check the web page and see if there is a date YOU can attend a meeting at another club. Please try to go to another club to promote Lion Ken's quest. Not only will it help get him elected, it will show you how really good our club is. Take a T shirt with Lion Ken's picture so we can have lots of support at the District Meeting on April 16th and 17th.
2. We will begin discussions on moving our meeting place.
3. Lion Jay and Lion Mike had a short 11 minute meeting to discuss helping others after our regular meeting. (That is 22 more minutes we need to add to our MMR.)

KEEP UP THE GOOD WORK, AND KEEP SERVING OTHERS.

For additional information on activities and events listed above, please visit either Plano Early Lions Club at www.planoearlylions.org or District 2-X1 at www.lions2-x1.org.
